

BOARD POLICY

No. 6126

6000 INSTRUCTION

6126 Intercultural Relations

The instructional program in the school should help students develop in those skills, understandings, and attitudes leading to intercultural understanding, the elimination of prejudice and racial isolation.

Programs of students, procedures or instruction, and materials used in secondary schools should help students become more familiar with the contributions of individuals of different socioeconomic backgrounds, race, creed, color, national origin, sex, sexual orientation, marital status, age, and disability.
